

**Title:** Slide # 1.1- Welcome

**On-screen text (OST):**  
Kingdom Kids Teacher Training

Thank you for attending

“Begin” button

Kingdom Kids logo

**Voiceover (VO):** n/a

**Animation notes:**

Starts with blank slide and logo, then first line of OST fades in, followed by stock photos appearing at half second intervals, then second line of OST appears, followed by the Begin button.

**Programming notes:**

All colors of objects and text were chosen from logo other than the slide background color. That was a lighter neutral one that complemented the other colors well. Hidden variable for having viewed the show is set as false at this point. It will be used later when the user can refer back during the simulation and assessment.

**Title:** Slide # 1.3- Give your guide a name \*REMOVE\*

**On-screen text (OST):**

Give your guide a name.

Enter your guide's name here

Next button

**Voiceover (VO):** Choose the name you would like your guide to have. It does not have to be your own name.

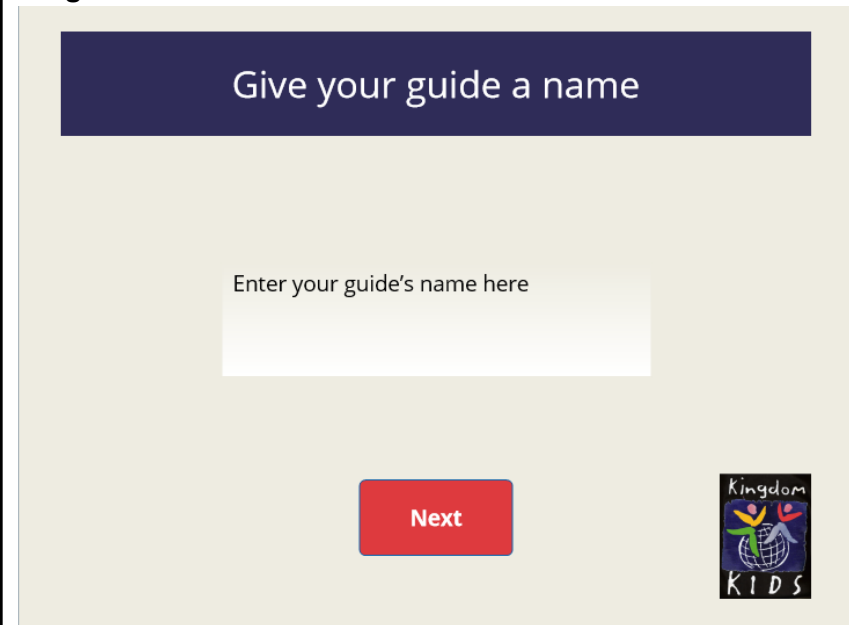

**Animation notes:**

n/a

**Programming notes:**

Next button is always present, but if they don't type in a name first, when they click next it will produce a message that they must select a name. If they receive the error message then correct the issue, they may need to click next twice due to system limitation.

**Title:** Slide # 1.4- Training introduction

**On-screen text (OST):**

Hello, my name is %name%. I am here to guide you through the training. The work you do is of the utmost importance, so we want to set you up to be as successful as possible.

Our agenda today:

To welcome you and let you know how valued you and the work you do are.

To set a goal for what you can provide to the children in your class.

To familiarize you with the processes, procedures, and resources involved with running your class.

To practice those skills.

**Programming notes:**

%Name% is a variable placeholder and will show whatever name they typed in. The blank space on the left is where their guide will appear.

**Title:** Slide # 1.5- Training objectives

**On-screen text (OST):**

After this training you should be able to:

Identify at least one strength you bring to the classroom  
Recall procedures and resources applicable to teachers.  
Determine correct responses to issues faced in the classroom.

**Title:** Slide # 1.6- Choose your age group

**On-screen text (OST):**

Choose your age group

Toddlers and Younger

Pre K through Grade 2

Grades 5 & 6

**Voiceover (VO):** While some of the knowledge and skills required are common for all age groups, there are unique needs for each age group. Your training will be customized to meet those unique needs.

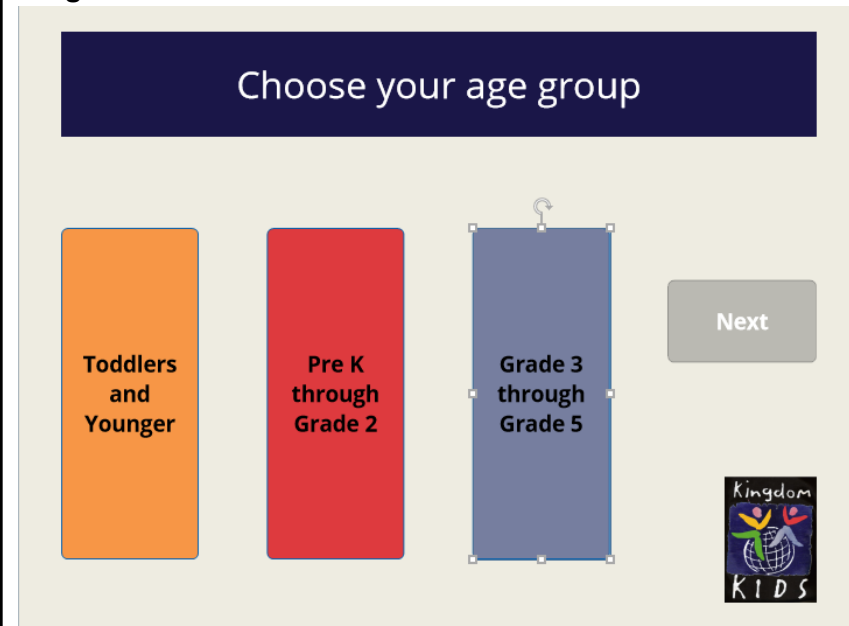

**Animation notes:**

Next button appears only after one group is selected

**Programming notes:**

No guide on this slide. They may change selection until the next button is clicked. After that, the choice is locked in for the rest of the training. It sets to a variable. I have the slides in four stacks: A main one of all of the common slides and then one for each age group. The training will progress and bounce between the main stack and one age group stack.
