Sign of Hope and New life Can you share an easter Egg or make a donation for gardening equipment for the Roberts Centre and SDA ? Please bring to Church over next few weeks.

COVID We continue to encourage people to wear face coverings in Church, to respect one another's space. **So that we can enable as many of us as possible to gather and feel safe we will not be changing any of our guidance or arrangements**, we will continue to review and consider when will be a good time to change, we thank you for your support with this, which is about ensuring others feel safe rather than our own personal preferences. The one change will be at **St Mary's** from Ash Wednesday at the 7pm service and then **10am services on Sunday** we will be exploring how best **to administer communion in both kinds** by intinction (touching the wine with the wafer). This **will be offered as an option** for those who wish to receive in this way. We will review each week how this happens and would welcome your feedback and comment.
