COVID We continue to encourage people to wear face coverings in Church, to respect one another's space. **So that we can enable as many of us as possible to gather and feel safe we will not be changing any of our guidance or arrangements,** we thank you for your support with this, which is about ensuring others feel safe rather than our own personal preferences. The one change will be at **St Mary's at 10am services on Sunday** we will be exploring how best **to administer communion in both kinds** by intinction (touching the wine with the wafer). This **will be offered as an option** for those who wish to receive in this way. We will review each week how this happens and would welcome your feedback and comment.
