

Supplier Page

Trust us to provide you with the best in overhead lighting, directional lighting, plus audio/video equipment like microphones, lavalier microphones and amplifiers. Over 11,200 religious organizations trust us to light their worship spaces and to make sure any batteries or battery backups in tools, electronics, audio, security systems, maintenance equipment and safety lights are ready to go. You can also rely on us for your church vehicle needs with battery testing, installation and key fob replacement services. Your needs are unique, and cost savings is top-of-mind.
