

# 2024 Sutherland Shire Access & Inclusion Award

Sutherland Shire Council is strongly committed to the provision of equal access and the development of a community which is inclusive of all its residents, workers and visitors.

The Access & Inclusion Award seeks to recognise the efforts of those organisations and businesses in Sutherland Shire Local Government Area that have made their business inclusive to the whole community.

The Access & Inclusion Award will acknowledge initiatives from businesses that enable people with limited mobility and/or disability to access local services in a dignified manner and businesses that provide excellent customer service that makes life better for a person with a disability. Providing employment and vocational opportunities for people with disability will also be highly recognised.
