# Doylestown's PRIDE Festival Returns in 2021

The Doylestown Pride Festival returns this June 12–19, 2021 following the incredible success of the 2019 event. With the goal of celebrating diverse sexual orientations and gender identities in the Doylestown community, a collection of local organizations and businesses came together to create this local tradition. The multi-day event will feature a series of outdoor Film Screenings, Pride Music Day, and various pop-up events and celebrations throughout the community.

Doylestown Pride Festival is a collaborative effort between Doylestown Borough, Discover Doylestown, Delaware Valley University, A Woman's Place, Michener Art Museum, The Rainbow Room, Salem United Church of Christ, Borough Council, and the Borough Human Relations Commission.

Pride Month begins June 1, 2021 with a rainbow flag raising at Monument Square in the heart of downtown Doylestown. Stay up to date with us on social media or sign up for our newsletter at [dtownpride.com](http://dtownpride.com).
