

# Breno Sq Switch

671774

## Especificaciones (Luminarias de Serie)

|                                                                                   |                             |         |
|-----------------------------------------------------------------------------------|-----------------------------|---------|
|  | Aislamiento eléctrico       | CII     |
|  | Tensión (V)                 | 230V    |
|  | Frecuencia (Hz)             | 50-60Hz |
|  | Factor de potencia (Cos fi) | >0,9    |
|  | Regulación                  | No      |

|                                                                                   |                           |      |
|-----------------------------------------------------------------------------------|---------------------------|------|
|  | IP Índice de estanqueidad | IP20 |
|  | Difusor                   | PS   |

|                                                                                    |                               |                   |
|------------------------------------------------------------------------------------|-------------------------------|-------------------|
|   | Temperatura de color          | 3000K-4000K-6500K |
|   | CRI Índice de repr. cromática | >80               |
|  | Ángulo de apertura            | 120°              |

|                                                                                     |             |         |
|-------------------------------------------------------------------------------------|-------------|---------|
|  | Dimensiones | 0x0x0mm |
|-------------------------------------------------------------------------------------|-------------|---------|

|                                                                                     |                         |              |
|-------------------------------------------------------------------------------------|-------------------------|--------------|
|  | Temp. de funcionamiento | -5°C ~ +35°C |
|-------------------------------------------------------------------------------------|-------------------------|--------------|

|                                                                                     |                     |         |
|-------------------------------------------------------------------------------------|---------------------|---------|
|  | Flujo luminoso (lm) | 2.450lm |
|-------------------------------------------------------------------------------------|---------------------|---------|

|                                                                                     |           |                  |
|-------------------------------------------------------------------------------------|-----------|------------------|
|  | Vida útil | (L70B50>)35.000h |
|-------------------------------------------------------------------------------------|-----------|------------------|
