

Circle of Friends Dementia Support Group

Presented by Christina Mueller, Director of The Artis Way Experience; Certified Senior Advisor and Certified Dementia Practitioner

Caring for someone with dementia, whether at home or in a Memory Care community, can be challenging. Some days finding time for self-care and support seems to be impossible.

Let us provide you a safe space where you can receive the support you need and meet others who may be in similar situations.

RSVP 2 days prior to event.

**Join us for this FREE
