@bloodbburn @bloodb.tattoo

I am an artist and I have been drawing since early childhood, never abandoning this path. Art has always been a way for me to express what I think and what I feel.

It became even more meaningful after I was diagnosed with borderline personality disorder. Since then, I have been using art as a tool to shed light on this topic.

I often say: **to be seen is to be heard.**

Education

2021-2023

International School
«Academy of Children's Creativity»

2018-2021

Children's Art School
city of Mykolaiv
