

## Critical Illness Insurance

can pay money directly to you when you're diagnosed with certain serious illnesses.

### How does it work?

If you're diagnosed with an illness that is covered by this insurance, you can receive a lump sum benefit payment. You can use the money however you want.

### Why is this coverage so valuable?

- The money can help you pay out-of-pocket medical expenses, like co-pays and deductibles.
- You can use this coverage more than once. Even after you receive a payout for one illness, you're still covered for the remaining conditions and for the reoccurrence of any critical illness with the exception of skin cancer. Even after you receive a payout for one illness, you're still covered for the remaining conditions. Diagnoses must be at least 180 days apart or the conditions can't be related to each other.

### What's covered?

Critical illnesses

This is a supplement to health insurance. It is not a substitute for essential health benefits or minimum essential coverage as defined in federal law. Each proposed insured for whom coverage is selected must have essential health benefits or minimum essential coverage to be eligible for this coverage.

### Why should I buy coverage now?

- It's more affordable when you buy it through your employer and the premiums are conveniently deducted from your paycheck.
- If you apply during your initial enrollment, you can get coverage without a health exam or medical questions.
- Coverage is portable. You may take the coverage with you if you leave the company or retire. You'll be billed at home.

### Be Well Benefit

Every year, each family member who has Critical Illness coverage can also receive \$50 for getting a covered Be Well Benefit screening test, such as:

- Annual exams by a physician (including sports physicals) for adults, and well-child visits
- Screenings for cancer, including pap smear, colonoscopy
- Cardiovascular function screenings
- Screenings for cholesterol and diabetes
- Imaging studies, including chest X-ray, mammography
- Immunizations including HPV, MMR, tetanus, influenza

<b>You</b>	Choose \$20,000 or \$30,000 of coverage with no medical questions if you apply during this enrollment.
<b>Your spouse</b>	Spouses can get 100% of the employee coverage amount as long as you have purchased coverage for yourself.
<b>Your children</b>	Children from live birth to age 26 are automatically covered at no extra cost. Their coverage amount is 100% of yours. They are covered for all the same illnesses plus these specific childhood conditions: cerebral palsy, cleft lip or palate, cystic fibrosis, Down syndrome and spina bifida.
