

KARPO MAGN WL

Indoor LED wall-mounted light black 3000 K

Lighting really can be this innovative, stylish, and attractive: thanks to its innovative magnetic attachment function, the spotlight of the KARPO MAGN indoor LED wall-mounted light can be positioned exactly as required. This opens up countless possibilities for pinpoint accent lighting or reading lighting in domestic living rooms and bedrooms as well as hotel rooms, restaurants, and cafés. Added to this is a high colour rendering index (CRI >90), a dimmer function, and the elegant cylindrical SLV design. This makes easy installation of the magnetic light base a formality.
