

ESKINA FRAME WL

Outdoor LED wall-mounted light double anthracite CCT switch 3000/4000 K

An all-round successful design with an elegant rectangular aluminium frame: the popular outdoor lights of the ESKINA family now offer even greater scope for application in the FRAME design alternative. The anthracite-coloured ESKINA FRAME makes a stylish impression in any outdoor area. The pivoting light heads ensure flexible light emission. Thanks to a high IP protection rating, ESKINA is perfectly protected from the elements. Hinzu kommt, dass sich die Lichtfarbe (3000/4000 K) über den CCT Switch flexibel vor der Installation wechseln lässt. This means that easy installation is a mere formality.
