

MANA

Wall bracket without lightbulb round anthracite

For wall installation of MANA felt screens, the base is also available without LED module. MANA screens can thus be installed as a cloud in offices or living rooms with or without lighting on the wall. The shade and base can be connected using a simple click system. Please note that the MANA BASIS must be combined with the matching MANA shade (1004660, 100466, 1004662, 1004663).
