

DOWNLIGHT V 100 | Flat cover

DOWNLIGHT V 100, flat cover white

The recessed ceiling light DOWNLIGHT V 100 with a flat, white cover is suitable for installation in ceilings with a round cut-out. It features a housing made of polycarbonate (PC) and has a diameter of 10.6 centimetres with a height of 2.5 centimetres. The compact design allows for discreet integration into various interior spaces. The luminaire is specifically designed for use in areas where a flat yet functional lighting solution is required.
