

ADEGAN | FL, SOLAR

ADEGAN, outdoor free-standing light, solar, 2200 K, IP65, brown

The decorative ADEGAN solar lights bring relaxed light to gardens, terraces and outdoor lounges. With their minimalist design and the black or brown PE rattan surround, they are a striking eye-catcher by day and night. Thanks to its protection class IP65, ADEGAN is ideal for year-round outdoor use. The integrated 2,200 K warm white LED module provides up to 500 lm and can be regulated via three brightness levels (100 % / 50 % / 25 %). The integrated 3.7 V / 4400 mAh battery enables flexible use without a fixed power connection - ideal for mobile, atmospheric lighting solutions in outdoor areas. Charging is wireless via a solar panel or alternatively via a USB-C charging cable.

Item no.	1008387
Lamps included	No
IP Code	IP65
Impact resistance class	IK03
Impact resistance	0.35 Joule
Assembly	Mobile
Assembly details	Ground,
Dimmable	true
Dimming technology	Touch
Safety class	III
Minimum ambient temperature	-10°C
Maximum ambient temperature	45°C
Color	brown/black
CRI	80
LXXBXX data	L80B20
Service life	50 000 h
Height	165 cm
Diameter	43 cm
Net weight	9.75 kg
Gross weight	10.75 kg
BIG WHITE Page	641
