

ADEGAN

outdoor free-standing light, flat, solar, 2200 K, IP65, black

The decorative ADEGAN solar lights bring relaxed light to gardens, terraces and outdoor lounges. With their minimalist design and the black or brown PE rattan surround, they are a striking eye-catcher by day and night. Thanks to its protection class IP65, ADEGAN is ideal for year-round outdoor use. The integrated 2,200 K warm white LED module provides up to 500 lm and can be regulated via three brightness levels (100 % / 50 % / 25 %). The integrated 3.7 V / 4400 mAh battery enables flexible use without a fixed power connection - ideal for mobile, atmospheric lighting solutions in outdoor areas. Charging is wireless via a solar panel or alternatively via a USB-C charging cable.

TECHNICAL DATA

Item no.	1008388
IP Code	IP65
Impact resistance class	IK 03
Impact resistance	0.35 Joule
Assembly	Mobile
Assembly details	Ground
Dimmable	Yes
Dimming technology	Touch
Safety class	III
Wattage	4.35 W
Minimum ambient temperature	-10 °C
Maximum ambient temperature	45 °C
Lumen	75 / 35 / 20 lm
Colour temperature	2200 Kelvin
Color	black/black
CRI	80
Service life	50000 h
Height	28 cm
Diameter	55 cm
Net weight	2.4 kg
Gross weight	3.5 kg
BIG WHITE Page	717
