

SUN 40 PD

E27, Pendant light, Pendant length 400 cm, Round, Gold

The SUN 40 PD pendant light extends the popular SUN family and impresses with its timeless, spherical shade made of opal glass. With a diameter of 400 mm and an elegant colour design in black or gold, it integrates perfectly into modern room concepts. Thanks to the 4-metre-long cable, it is particularly suitable for rooms with high ceilings or stairwells. It can be installed individually as an eye-catching feature, or arranged in combination with other SUN pendant lights as a "cloud of lights". When choosing the right E27 light source, make sure that the lampshade has a slim design that only allows certain light sources - you can find suitable light sources in the SLV range. The canopy and reinforcement cable included in the scope of delivery ensure secure installation.

TECHNICAL DATA

Item no.	1008533
Socket	E27
Number of sockets	1
IP Code	IP20
Impact resistance	0.2 Joule
Assembly	Surface
Assembly details	Ceiling
Primary nominal voltage	220-240V ~50/60 Hz
Safety class	I
Wattage	40 W
Minimum ambient temperature	-20 °C
Maximum ambient temperature	40 °C
Color	gold
Height	44 cm
Diameter	40 cm
Pendant length	400 cm
Net weight	3.12 kg
Gross weight	5.42 kg

Recommended lamp

1005307	T45 E27 , white LED light, 13.5 W 3000 K CRI 90 240°
