Pack of 10 LED Tube C T8 EM/M 1200 16W 840

The LED Tubes shipping units of 10 units offer an energy-efficient and long-lasting lighting solution for various areas of application. With a service life of up to 50,000 hours and an efficiency of up to 158 lm/W, they significantly reduce maintenance and operating costs. The tubes produce a light that is gentle on the eyes and low in flicker and stroboscopic effects in accordance with EU regulations. Approved safety is guaranteed by tests in accordance with DIN EN 62776 VDE 0715-16:2015-12. Thanks to the dimensionally stable and completely shatterproof real glass tube, the tubes are robust and reliable in use. The direct lamp start ensures an immediate and flicker-free light experience.

TECHNICAL DATA

Item no.	1008687
Length	121 cm
Width	2.8 cm
Height	121 cm
Depth	2.8 cm
Diameter	2.8 cm
Net weight	3.301 kg
Gross weight	3.55 kg
