PARA CONE 14

pendant light for 1-phase system, GU10, aluminium

With their distinctive conical reflector, PARA CONE lights provide a warm, atmospheric light - perfect for modern residential and contract applications. Available in a range of sizes and trendy colours, the range is characterised by its clear design features and high-quality finish. A wide range of mounting options are available for maximum design freedom: The lights are available as pendant lights with an open cable end, with a ceiling rosette or for 1-phase and 3-phase track systems, each with a compatible adapter. The range also includes spots for both track systems. Depending on the version, the PARA CONE lights are equipped with a GU10 or E27 base, allowing the lamp to be easily replaced at any time. A particular highlight is that the lights can be flexibly combined in a variety of ways to create clouds of light, enabling creative and individual lighting installations. Experience lighting design with character - PARA CONE by SLV.

TECHNICAL DATA

Item no.	1009140
Socket	GU10
Number of sockets	1
IP Code	IP20
Primary nominal voltage	220-240V ~50/60 Hz
Safety class	II
Wattage	35 W
Color	aluminum/aluminum
Height	14 cm
Diameter	13.5 cm
Pendant length	150 cm
Net weight	0.336 kg
Gross weight	0.604 kg

Recommended lamp

1006321	LED lamp , T32, GU10, 2600 K, dimmable
