

# TRACKSPOT

**P90 3PH. 57 940 MB ML WH**

The TRACKSPOT P90 series features a clear, timeless design, an integrated driver and an impressive efficiency of up to 170 lm/W. With a color reproduction of CRI>90 and a choice of light colours (3,000 K / 4,000 K), it provides excellent illumination in demanding lighting situations - from shops and supermarkets to reception areas. Three beam angles are available (36°, 47° or 60°) and two body sizes ensure maximum adaptability to different room heights and lighting requirements. Symmetrical light distribution and a UGR of <25 also provide comfortable glare-free lighting. TRACKSPOT P90 is available in black and white and is supplied with a long-life LED module (L80B10, 50,000 h). The robust housing with protection class IP20 and impact resistance IK03 makes it the ideal solution for professional indoor use.
