

RECESSED MOUNTING FRAME 600 | BK

RECESSED MOUNTING FRAME, 600 BK

The recessed mounting frame RECESSED MOUNTING FRAME 600 BK is designed for installation in ceiling or wall openings and serves as a fastening element for luminaires or other recessed components. The frame is made of stainless steel and measures 63.8 x 63.8 cm with a height of 7.65 cm. Its robust material choice and precise workmanship provide a stable mounting base. The recessed mounting frame is intended for indoor use and allows for a clean and secure integration of lighting components.
