

RECESSED MOUNTING FRAME 625 | BK

RECESSED MOUNTING FRAME, 625 BK

The RECESSED MOUNTING FRAME 625 BK is designed for installation in ceilings or walls and provides a stable mounting solution. It is made of stainless steel, ensuring a robust and durable construction. With a width and length of 66.3 centimetres each and a height of 7.65 centimetres, the frame is suitable for larger installation openings. The frame serves as a base for mounting luminaires or other recessed components and is specifically intended for professional use in indoor environments.
