

LEDSTRIP CONNECTOR SMD | WIRE RGBW S

LED STRIP CONNECTOR SMD, CABLE RGBW S, clear

The connector from the LEDSTRIP CONNECTOR product line is designed for connecting LED strips and is suitable for indoor use with an IP20 protection rating. With a compact design measuring 17.6 cm in length, 1.26 cm in width, and 0.62 cm in height, it allows for easy and space-saving installation. The product is specifically designed for connecting SMD LED strips with RGBW colour control and supports a reliable electrical connection without the need for additional tools. Due to its protection rating, the connector is suitable for applications in dry environments.

Item no.	1012312
