

LEDSTRIP CONNECTOR SMD | 90° S 8MM

LED STRIP CONNECTOR SMD, 90° S 8MM, clear

The connector is designed for use with LED strips and serves to provide a secure and reliable connection of LED strips in installations with an IP20 protection rating. With compact dimensions of 1.25 cm in length, 0.80 cm in width, and 0.52 cm in height, the component is especially suitable for integration into narrow and flat lighting systems. The „90° S 8MM“ version allows for a right-angled connection, supporting flexible installation options in LED setups. The connector is part of the LEDSTRIP CONNECTOR product line and is designed for easy installation to facilitate the connection of LED strips.
