LEDSTRIP PROFILE SURFACE FLAT | S

LED STRIP PROFILE SURFACE-MOUNTED FLAT, S, white

The SURFACE FLAT S mounting profile from the LED-STRIP PROFILE product line is made of aluminium and polycarbonate. It measures 200 cm in length, 1.7 cm in width, and 9.2 cm in height. This profile is suitable for the installation of LED strips and is typically used indoors where a flat and discreet installation is desired. The combination of materials ensures a stable and visually appealing construction. The profile allows for easy mounting and protects the LED strips from mechanical impacts.
