LEDSTRIP PROFILE RECESSED | S

LED STRIP PROFILE RECESSED, S, white

The recessed profile made of aluminium and polycarbonate is designed for integration into various installation situations and is particularly suitable for indoor use. With a length of 200 cm, a width of 2.5 cm, and a height of 1.55 cm, the profile offers a slim and unobtrusive design. It serves as a stable and aesthetically pleasing holder for LED strips, enabling uniform and glare-free illumination. The aluminium material ensures good heat dissipation, while the polycarbonate diffuser optimally distributes the light. The product is part of the LEDSTRIP PROFILE product line and allows for easy recessed installation.

Item no.	1012345
Lamps included	No
Color	white
