

LEDSTRIP SET PROFIL SURFACE+ DIFFUSOR 5*1M | S

LED STRIP SET, PROFILE SURFACE-MOUNTED + DIFFUSER 5*1M, S, white

The PROFIL SURFACE+ DIFFUSER 5*1M mounting profile from the LEDSTRIP SET product line is designed for surface mounting of LED strips. It is particularly suitable for indoor use where uniform and glare-free illumination is desired. The profile serves as a carrier and diffuser for LED strips, enabling easy installation and attractive light distribution. Its construction supports neat cable management and protects the LED strips from dust and damage. It is especially suitable for applications in residential, office, and commercial spaces where a discreet and functional lighting solution is required.
