

LEDSTRIP END CAPS SURFACE | XS

LED STRIP END CAPS, SURFACE-MOUNTED, XS, black

End caps made of polycarbonate (PC) for LED strips, suitable for surface mounting. The compact dimensions of 1.30 cm height, 0.62 cm width, and 0.60 cm depth allow for discreet installation. These end caps serve to protect and finish LED strips and are available in black. They are specifically designed for use in lighting applications where a neat and secure end cover is required.
