

LEDSTRIP END CAPS CORNER | S

LED STRIP END CAPS, CORNER, S, black

Polycarbonate end caps serve as terminating elements for LED strips and are designed for use in lighting installations. They protect the ends of LED strips and provide a neat, secure finishing solution. The product features compact dimensions of 1.84 cm width, 1.84 cm height, and 0.7 cm depth, and is available in black. Installation is straightforward, attaching to the ends of the LED strips to ensure mechanical protection and a visually clean finish.
