

LEDSTRIP END CAPS SURFACE FLAT | M

LED STRIP END CAPS, SURFACE-MOUNTED FLAT, M, black

End caps made of polycarbonate for LED strips, specially designed for flat surface-mounted profiles of size M. They serve as a closure and protection for the LED profiles and are intended for indoor use. The end caps have compact dimensions with a depth of 0.7 cm, a width of 2.29 cm, and a height of 1.27 cm. Installation is simple at the ends of the LED strips to ensure a neat and secure setup. The black finish allows for discreet integration into the lighting system.
