

LEDSTRIP MOUNTING CLIP SURFACE | XS

LED STRIP MOUNTING CLIP, SURFACE-MOUNTED, XS

Stainless steel mounting clip, specially designed for the fastening of LED strips. This compact fastening element is suitable for the installation and secure fixing of LED strips in various installation environments. With a width of 1.23 cm and a length and height of 1.20 cm each, the clip is particularly space-saving and offers a stable mounting option. The mounting clip is part of the product line „LED-STRIP MOUNTING CLIP“ and is preferably used where a reliable and durable fixation of LED strips is required.
