

LEDSTRIP MOUNTING CLIP SURFACE FLAT | M

LED STRIP MOUNTING CLIP, SURFACE-MOUNTED FLAT, M

Mounting clip made of stainless steel, specially designed for the flat surface mounting of LED strips. The clip is compactly constructed and suitable for the secure fastening of LED strips in various installation environments, such as interior fittings or furniture applications. With dimensions of 2.38 cm width, 1.55 cm length, and 0.88 cm height, the clip provides a discreet and stable fastening solution. The stainless steel material ensures a robust and durable design. Installation is simple and reliable, making the clip a practical component for the installation of LED lighting systems.

Item no.	1012580
