

LEDSTRIP CONNECTOR IP SEALING KIT | 10 MM

LED STRIP CONNECTOR IP SEALING SET, 10 MM

The LED strip connector with IP sealing kit is a connecting element for LED strips with a width of 10 mm. It is used for secure and sealed connections of LED strips in various installation environments where protection against the ingress of dust and moisture is required. The product is part of the LEDSTRIP CONNECTOR product line and enables easy installation and reliable electrical connection. The sealing kit ensures IP-compliant sealing to guarantee the functionality of the LED strips even under demanding conditions.
