

LEDSTRIP CONNECTOR IP SEALING KIT | 12MM

LED STRIP CONNECTOR IP SEALING SET, 12MM

Connector for LED strips with a width of 12 mm, designed to create an IP-rated sealed connection between individual LED strip sections. This connector is typically used in both indoor and outdoor applications to ensure a secure and protected connection. The connector is part of the LEDSTRIP CONNECTOR product line and allows for easy installation to reliably connect LED strips and protect them from moisture.
