

GRAFIT 60

outdoor floor stand, TC-DSE, IP44, anthracite, energy-saving lamp, L/W/H 12/12/60 cm, max. 11W

The wall light GRAFIT 60 made from aluminium profile convinces by its special effect. The lamp shades are made from frosted plastic held in smoked-grey glass look, that disappears in the on mode. Thereby, the fitting visually comes in two different forms. It is suitable for use outdoors thanks to its IP44 protection class. The GRAFIT 60 also contains wall lights and can therefore be used universally. An earth spike is available as an option for simplified installation.
