

CONCRETE ANCHOR

for PHOTONIA pathway and floor stand, stainless steel

The PHOTONIA floor stand is made of aluminium and clear glass which completely encloses the lamp. Thanks to the position of the built-in socket, the mounted luminaire produces a homogeneous cone of light and is ideal for use as a pathway light. As an option, a concrete anchor and connection box are available. With protection class IP55, it is suitable for outdoor use. The electrical connection is made directly to the 230V mains supply. This luminaire is compatible with bulbs of the energy classes: E - A+

TECHNICAL DATA

Item no.	232085
IP Code	IP 20
Assembly	Recessed
Assembly details	Ground
Color	stainless steel
Light outlet	diffuse
Length	13 cm
Width	13 cm
Depth	21 cm
Net weight	0.225 kg
Gross weight	0.271 kg
