

BIG THEO WALL

outdoor wall light, double-headed, LED, 3000 K, Flood up/down, anthracite, W/H/D 13/27.5/13.5 cm

The BIG THEO WALL flood up/down LED wall light is made of aluminium and glass. Thanks to the position of the two built-in LEDs, the mounted luminaire produces two equal, but opposite, cones of light (UP/DOWN). It is suitable for use outdoors thanks to its IP44 protection class. Thanks to the built-in LED driver, the electrical connection of the luminaire, which comes in several colour versions, is made directly to the 230V mains supply. In addition, the BIG THEO series includes wall and ceiling lights and is therefore universally deployable. This luminaire includes built-in LED lamps.
