

## GRAZIA 20

### Profil Flat 1.5m black

GRAZIA FLEXSTRIPS can be used in combination with GRAZIA profiles to realise creative lighting scenarios. Use the corresponding GRAZIA 20 profile with the matching cut-outs for all series as an adhesive aid to integrate the perfectly matching LED strips into the profile. For this purpose, the GRAZIA 20 profile is available in lengths of 1.5 and 3 metres in different versions (standard, flat, recessed) and with different covers. It's completely up to you how you use it.
