DESCRIPTION

The Accessory Pack for APT-3235A is a must-have for those looking to create a seamless and professional lighting setup. This pack includes all the necessary mounting brackets and two end caps, one of which features a hole punch for easy cable feedthrough. With the ability to connect multiple lengths of the profile together, this pack offers the flexibility to create a continuous length of trimless aluminium profile (35x75 mm) for optimal light diffusion and heat dissipation. Ideal for use with LED strips with more than 60 LEDs per metre, this accessory pack will help prolong the life of your LED strip and enhance the overall linear effect.
