Description

This 2 Metre Shallow Recessed Aluminium Profile provides a sleek and modern look for your LED strip lighting setup. The profile measures 7x25 mm and includes all necessary mounting accessories and end caps, making it a convenient and efficient solution for dissipating heat and prolonging the life of your LED strip. The profile features a shallow design, allowing it to achieve a linear effect when combined with LED strips with more than 196 LEDs per metre. Get the perfect lighting setup with this 2 Metre Shallow Recessed Aluminium Profile.
