Weight (g)	150

Description

This 2 Metre Shallow Recessed White Aluminium Profile is designed for LED strip lighting. It is 7x25 mm in size and includes all the necessary mounting accessories and end caps for easy installation. The profile is made of high-quality white aluminum and helps to dissipate heat from the LED strip, thus prolonging its life. The shallow design allows for a linear lighting effect when used with LED strips that have more than 196 LEDs per metre. Ideal for creating a sleek and modern look in your space.
