Description

Enhance the look and longevity of your LED lighting with the 2 Metre Deep Recessed Aluminium Profile. This 20x30 mm profile is designed to dissipate heat and prolong the life of your LED strip. The profile includes all necessary mounting accessories and end caps for easy installation. With a depth designed to accommodate LED strips with more than 60 LEDs per metre, you can achieve a linear lighting effect. Perfect for those seeking a sleek and professional look, this deep recessed aluminium profile is a must-have accessory.
