Description

Maximize the lighting performance of your LED strip lights with the 2 Metre Shallow Double-Width Recessed Aluminium Profile. With a compact size of 10x31 mm, this profile is specifically designed to dissipate heat from the LED strip and extend its life. The profile comes with all the necessary mounting accessories and end caps for easy installation. Achieve a sleek and linear lighting effect by combining with LED strip lights with more than 196 LEDs per metre. Upgrade your lighting setup today with this durable and versatile recessed aluminium profile.
