DESCRIPTION

The Accessory Pack for APR-2110A includes all the essential components required for a successful installation of the Shallow Double-Width Recessed Aluminium Profile, 10x31 mm. The pack includes mounting brackets and two end caps, one of which has a hole punch for cable feedthrough. This ensures that the LED strip is properly secured and cooled to prolong its life. The linear effect is achieved when combined with an LED strip with more than 196 LEDs per metre.
