DESCRIPTION

This Accessory Pack for APR-4135A is a must-have for those looking to install recessed LED lighting. The pack includes all the necessary mounting brackets and two end caps, one of which has a hole punch for cable feedthrough. With the included accessories, you'll be able to connect multiple profiles together to create a continuous length, ensuring a seamless and professional-looking installation. The accessories are designed to support the heat dissipation of your LED strips and prolong the life of your lighting. With this accessory pack, you can be sure of a perfect installation every time.
