## Description

This 2 Metre Shallow Surface Mounted Aluminium Profile is the perfect solution for creating a linear lighting effect. Measuring 7x17 mm, this profile is designed to be used with LED strips featuring 196 or more LEDs per metre. The shallow design allows for discreet installation, making it ideal for a range of applications. The profile includes mounting brackets and end caps for a complete solution. Upgrade your lighting game with this high-quality surface mounted aluminium profile.
