DESCRIPTION

The Accessory Pack for APS-2020A is a complete solution for mounting
and finishing your LED lighting installation. The pack includes all the necessary components to install the deep surface mounted aluminium profile of 20x23 mm, including mounting brackets and two end caps, one with a hole punch for cable feedthrough. This accessory pack ensures a professional and polished look for your LED lighting setup while also providing efficient heat dissipation to prolong the life of your LED strip
