Weight (g)	750

Description

Enhance the look of your lighting setup with the 2 Metre Modular Surface Mounted White Aluminium Profile. This high-quality profile is made of durable aluminum and features a sleek white finish. With a size of 75x50 mm, it is compatible with LED strips with 60 or more LEDs per metre, ensuring a beautiful linear effect. The included mounting accessories and end caps make installation easy and ensure a secure fit. The profile also has a cavity for the power supply LED driver, making it a convenient and organized solution for your lighting needs. The modular design allows you to join multiple profiles together to create a continuous length, making it a versatile choice for any lighting project.
