DESCRIPTION

Enhance the look and longevity of your LED strip lighting with the 2 Metre Modular Surface Mounted Black Aluminium Profile. This high-quality aluminium profile measures 35x35 mm and includes all necessary mounting accessories and end caps. Designed for heat dissipation, it helps to prolong the life of your LED strip and ensures a linear lighting effect when combined with LED strips with more than 60 LEDs per metre. The modular design allows for easy installation and the ability to join multiple lengths together to create a continuous length. Upgrade your lighting with this stylish and functional aluminium profile today!
