DESCRIPTION

The Accessory Pack for APT-1215A is designed to make the installation of your LED lighting system effortless and seamless. It includes all the necessary mounting brackets and end caps, including one with a hole punch for cable feedthrough, to ensure that your lighting system is secure and functional. The pack is specifically designed for use with the Standard Trimless Aluminium Profile 15x57 mm, which is part of the Trimless/Plaster-In range. This range is recessed and designed to be plastered into the wall or ceiling to create a clean, seamless finish. The linear effect achieved when combined with an LED strip with more than 120 LEDs per metre, makes the Accessory Pack for APT-1215A an essential addition to your LED lighting system.
